#### STRATEGIC REPORT FOR THE YEAR ENDED 31 DECEMBER 2022

#### **Business review**

The Company is a group investment holding company.

During the year the Company received dividends totalling £3,554,092,000 from its investments as set out below.

On 27 July 2022 the Company received a dividend of £218,152,000 from its subsidiary, Sinclair General Corporation. The Company subsequently impaired its investment in Sinclair General Corporation by £218,152,000 to bring the carrying value in line with the underlying net assets. This has been treated as an exceptional item.

On 29 September 2022, the Company received dividends in specie of £1,941,900,000 from its subsidiary, Hanson Aruba Limited, which were satisfied by the assignment of an intercompany receivable of £1,941,900,000 due from Hanson Limited. The Company subsequently impaired its investment in Hanson Aruba Limited by £1,258,862,000 to bring the carrying value in line with the underlying net assets. This has been treated as an exceptional item.

On 1 December 2022, the Company received dividends in specie of £529,514,000 from its subsidiary, Beforebeam Limited, which were satisfied by the assignment of an intercompany receivable owed by the Company. The Company subsequently impaired its investment in Beforebeam Limited by £86,328,000 to bring the carrying value in line with the underlying net assets. This has been treated as an exceptional item.

Also on 1 December 2022, the Company paid £300,000,000 and offset £677,981,000 of its intercompany receivable from Hanson Limited, to fully settle its liability to Hanson Limited.

On 8 December 2022, the Company sold its shares in Effectengage Limited at their market value of £29,983,000 to its subsidiary, Sinclair General Corporation in exchange for the issue of new shares in Sinclair General Corporation.

On 15 December 2022, the Company received a dividend in specie of £343,380,000 from its subsidiary, Sinclair General Corporation, which was satisfied by the assignment of an intercompany receivable of £145,206,000 due from Hanson Limited and an intercompany receivable of £198,174,000 owed by the Company. The Company subsequently impaired its investment in Sinclair General Corporation by £195,462,000 to bring the carrying value in line with the underlying let assets. This has been treated as an exceptional item.

On 21 December 2022, the Company received a dividend in specie of £521,146,000 from its subsidiary, Hanson Holdings (1) Limited, which was satisfied by the assignment of intercompany receivables of £509,866,000 owed by the Company and £11,280,000 due from Hanson Packed Products Limited. The Company subsequently impaired its investment in Hanson Holdings (1) Limited by £369,702,000 to bring the carrying value in line with the underlying net assets.

During the year the Company agreed to the assignment of several intercompany debts owed by the Company to other group companies.

These transactions are part of a wider plan to simplify the group structure in the UK.

In December 2022, the Company's subsidiary, Hanson Pacific (S) Pte Limited, made distributions of SGD17,065,000 (£10,244,000) before application was made to strike the company off from the Singapore company registry. The return of capital has been treated as a disposal of the investments. The Company released the previous impairment against its investment in Hanson Pacific (S) Pte Limited by £1,017,000. This has been treated as an exceptional item. Hanson Pacific (S) Pte Limited was struck off the register on 6 April 2023.

At the end of the year the Company released the impairment against its investment in HeidelbergCement Euro II Limited by £40,640,000 to bring the carrying value in line with the underlying net assets following the strengthening of the Euro. This has been treated as an exceptional item.

# STRATEGIC REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

#### Section 172(1) Statement

The primary purpose of the Company is that of group investment holding company. The overall objective of the Directors is to maximise shareholder and stakeholder value whilst working to a sustainable long-term business model. The Directors work to ensure the business strategy and objectives of the Company are aligned with that of the Group. As a group investment holding company, the Company has limited stakeholders having no customers, suppliers or employees.

During the year, the Directors approved several capital reductions and dividends by its subsidiaries, receiving total income of £3,554,092,000. The funds received enabled the Directors to reduce the net current liability position of the Company by £3,580,224,000. Prior to undertaking such steps, the Company actively engaged with its shareholder to agree the appropriate course of action.

#### Principal risks and uncertainties

#### Group undertakings

The Company's results arise from transactions with fellow subsidiary undertakings in the group headed by Heidelberg Materials AG (formerly Heidelberg Cement AG). The Directors are therefore of the opinion that the Company is not directly exposed to significant risks and uncertainty other than foreign exchange risk in respect of its investments in subsidiary undertakings; however, by the very nature of its activities, the Company is indirectly exposed to similar risks and uncertainties to those faced by other group companies. Details of the principal risks and uncertainties facing the group headed by Heidelberg Materials AG are disclosed in the financial statements of that Company.

### Foreign exchange risk

The Company is exposed to foreign exchange risk in respect of its investments in group undertakings. Significant fluctuations in foreign currency rates could potentially result in future impairment charges. These are not hedged.

This report was approved by the board on 25 September 2023 and signed on its behalf.

#### DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2022

The Directors present their report and the audited financial statements for the year ended 31 December 2022.

#### Results and dividends

The profit for the year, after taxation, amounted to £1,472,905,000 (2021 - loss £2,238,000).

The Directors do not recommend the payment of a final dividend (2021 - £nil).

#### Post balance sheet events

On 12 January 2023 the Company received a dividend of £113,245,000 from its subsidiary, Sinclair General Corporation. The Company subsequently impaired its investment in Sinclair General Corporation by £113,245,000 to bring the carrying value in line with the underlying net assets.

On 23 February 2023 the Company received £180,000,000 as partial settlement of the intercompany balance owed by Hanson Limited.

#### **Future developments**

The Directors anticipate that the Company will continue as a group investment holding company for the foreseeable future.

#### Going concern

The financial statements have been prepared on a going concern basis as the Company's ultimate parent undertaking, Heidelberg Materials AG (formerly Heidelberg Cement AG) which indirectly owns the Company's entire share capital, has committed to continue to support the Company for a period of no less than 12 months from the date of approval of the financial statements, in order that it can meet its liabilities as they fall due.

The Directors have considered and satisfied themselves that Heidelberg Materials AG is able to make the commitments it has made to the Company. In doing this, the Directors have noted that the ultimate parent undertaking, Heidelberg Materials AG, has made an assessment of identifiable risks on their global business activities, including the on-going impact of the Ukraine crisis, the volatility in energy and raw materials markets, inflationary pressures, rising interest rates and the overarching impact these factors have on construction and consumer markets, and continues to operate on a going concern basis.

Thus the Directors have a reasonable expectation that the Company will be able to continue in operational existence for the foreseeable future and they continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **Directors**

The Directors who served during the year and up to the date of signing the financial statements were:

# DIRECTORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

#### **Directors' indemnity**

Heidelberg Materials AG has indemnified, by means of directors' and officers' liability insurance, one or more Directors of the Company against liability in respect of proceedings brought by third parties, subject to the conditions set out in section 234 of the Companies Act 2006. Such qualifying third party indemnity provision was in force during the year and is in force as at the date of approving the Directors' Report.

The articles of association also provide for the Directors to be indemnified by the Company subject to the provisions of the Companies Act.

#### Disclosure of information to auditors

Each of the persons who are Directors at the time when this Directors' Report is approved has confirmed that:

- so far as the Director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the Director has taken all the steps that ought to have been taken as a Director in order to be aware of any
  relevant audit information and to establish that the Company's auditors are aware of that information.

#### Independent auditors

#### **DIRECTORS' RESPONSIBILITIES STATEMENT** FOR THE YEAR ENDED 31 DECEMBER 2022

The Directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulation.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law).

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are also responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006.

The Responsibilities Statement was approved by the board on 25 September 2023 and signed on its behalf.

#### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HOUSERATE LIMITED

# Report on the audit of the financial statements

# **Opinion**

In our opinion, Houserate Limited's financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, including FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the Balance Sheet and as at 31 December 2022; the Statement of Comprehensive Income and the Statement of Changes in Equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

# **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Independence

We remained independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

# Conclusions relating to going concern

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the Company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

#### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HOUSERATE LIMITED

# Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The Directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic report and Directors' report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on our work undertaken in the course of the audit, the Companies Act 2006 requires us also to report certain opinions and matters as described below.

#### Strategic report and Directors' report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic report and Directors' report for the year ended 31 December 2022 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic report and Directors' report.

# Responsibilities for the financial statements and the audit

#### Responsibilities of the Directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement, the Directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The Directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

#### Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

#### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HOUSERATE LIMITED

Based on our understanding of the Company and industry, we identified that the principal risks of non-compliance with laws and regulations related to the Companies Act 2006 and UK tax legislation, and we considered the extent to which non-compliance might have a material effect on the financial statements. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to posting inappropriate journal entries and management bias in accounting estimates. Audit procedures performed by the engagement team included:

- Reading board minutes for evidence of breaches of regulations and reading relevant correspondence
- Identifying and testing journal entries, in particular journal entries posted with unexpected account combinations
- Inquiries of management in respect of any known or suspected instances of non compliance with laws and regulations and fraud
- Challenging management on key accounting estimates and auditing the assumptions to supporting third party documentation where applicable.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

#### Use of this report

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

# Other required reporting

# **Companies Act 2006 exception reporting**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- · we have not obtained all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the Company, or returns adequate for our audit have not been received from branches not visited by us; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

#### 1. Accounting policies

#### 1.1 General information

Houserate Limited ("the Company") is a limited company incorporated and domiciled in the United Kingdom. The address of its registered office and principal place of business is disclosed in the Company Information.

#### 1.2 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 101 (FRS 101) 'Reduced Disclosure Framework' and the Companies Act 2006.

The Company's financial statements are presented in Sterling, which is also the Company's functional currency, and all values are rounded to the nearest thousand pounds (£'000).

The Company is itself a subsidiary company and is exempt from the requirement to prepare group financial statements by virtue of section 401 of the Companies Act 2006. These financial statements therefore present information about the Company as an individual undertaking and not about its group.

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have, unless otherwise stated, been consistently applied to all periods presented.

#### 1.3 Financial Reporting Standard 101 - reduced disclosure exemptions

The Company has taken advantage of the following disclosure exemptions under FRS 101:

- the requirements of IFRS 7 Financial Instruments: Disclosures
- the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
  - paragraph 79(a)(iv) of IAS 1;
- the requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134-136 of IAS 1 Presentation of Financial Statements
- the requirements of IAS 7 Statement of Cash Flows
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors
- the requirements of paragraph 17 and 18A of IAS 24 Related Party Disclosures
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member

This information is included in the consolidated financial statements of Heidelberg Materials AG as at 31 December 2022 and these financial statements may be obtained from Berliner Strasse 6, D 69120 Heidelberg, Germany.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

#### 1. Accounting policies (continued)

#### 1.4 Going concern

The financial statements have been prepared on a going concern basis as the Company's ultimate parent undertaking, Heidelberg Materials AG (formerly HeidelbergCement AG) which indirectly owns the Company's entire share capital, has committed to continue to support the Company for a period of no less than 12 months from the date of approval of the financial statements, in order that it can meet its liabilities as they fall due.

The Directors have considered and satisfied themselves that Heidelberg Materials AG is able to make the commitments it has made to the Company. In doing this, the Directors have noted that the ultimate parent undertaking, Heidelberg Materials AG, has made an assessment of identifiable risks on their global business activities, including the on-going impact of the Ukraine crisis, the volatility in energy and raw materials markets, inflationary pressures, rising interest rates and the overarching impact these factors have on construction and consumer markets, and continues to operate on a going concern basis.

Thus the Directors have a reasonable expectation that the Company will be able to continue in operational existence for the foreseeable future and they continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.5 Investments

Investments in subsidiaries and associates are shown at historical cost less provision for impairment.

#### 1.6 Dividends receivable

Income is recognised when the Company's right to receive payment is established.

#### 1.7 Financial instruments

#### Financial assets

Financial assets are initially measured at fair value plus, in the case of a financial asset not subsequently measured at fair value through profit or loss, transaction costs.

The Company's financial assets comprise amounts owed by group undertakings.

Financial assets are subsequently measured at amortised cost where they are financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Amortised cost is calculated using the effective interest method and represents the amount measured at initial recognition less repayments of principal plus the cumulative amortisation using the effective interest method of any difference between the initial amount and the maturity amount, adjusted for any loss allowance.

#### Impairment of financial assets

The Company recognises a loss allowance for expected credit losses (ECL) on investments in debt instruments that are measured at amortised cost. The amount of expected credit losses is updated at each reporting date to reflect changes in credit risk since initial recognition of the respective financial instrument.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

#### 1. Accounting policies (continued)

#### 1.7 Financial instruments (continued)

#### Impairment of financial assets (continued)

The ECL required for other debt instruments is determined using a three stage model.

- At the initial recognition of the financial asset an expected credit loss provision is recorded for the twelve month period following the reporting date. Any interest revenue is calculated on the gross carrying amount of the financial asset.
- If the credit risk of that financial instrument has increased significantly since initial recognition, a
  loss allowance for full lifetime expected credit losses is recorded. Any interest revenue is calculated
  on the gross carrying amount of the financial asset. Should the significant increase in credit risk
  reverse within subsequent reporting periods then the expected credit losses on the financial
  instrument revert to being measured based on an amount equal to the twelve month expected credit
  losses.
- If objective evidence of impairment exists, a loss allowance for full lifetime expected credit losses is recognised. Any interest revenue is calculated on the net carrying amount of the financial asset.

#### Financial liabilities

Financial liabilities are initially measured at fair value and, in the case of loans and borrowing and payables, net of directly attributable transactions costs.

The Company's financial liabilities include amounts owed to group undertakings. Financial liabilities which are neither contingent consideration of an acquirer in a business combination, held for trading, nor designated as at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. This is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or where appropriate a shorter period, to the amortised cost of a financial liability.

#### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### 1.8 Interest income

Interest income is recognised in the Statement of Comprehensive Income using the effective interest method.

#### 1.9 Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted by the Balance Sheet date.

Income tax is charged or credited to other comprehensive income if it relates to items that are charged or credited to other comprehensive income. Similarly, income tax is charged or credited directly to equity if it relates to items that are credited or charged directly to equity. Otherwise income tax is recognised in the Statement of Comprehensive Income.

#### 1. Accounting policies (continued)

#### 1.10 Exceptional items

The Company presents as exceptional items those material items of income and expense which, because of their nature and expected infrequency of the events giving rise to them, merit separate presentation to allow shareholders to understand better the elements of financial performance in the year, so as to facilitate comparison with prior periods and to assess better trends in financial performance.

#### 2. Judgments in applying accounting policies and key sources of estimation uncertainty

#### Impairment of investments

The Company reviews investments in subsidiaries and other investments for impairment if there are any indications that the carrying values may not be recoverable. The carrying value of the investment is compared to the recoverable amount and where a deficiency exists, an impairment charge is considered by management.

The recoverable amount represents the net assets of the investment at the time of the review or where applicable is represented by an estimate of future cash flows expected to arise from the investment. A suitable discount rate is applied to the future cash flows in order to calculate the present value.

Reversals of impairments are recognised where there is a favourable change in the economic assumptions in the period since the provision was made.

#### Recoverability of amounts owed by group undertakings

The Company recognises a loss allowance for expected credit losses (ECL) on investments in debt instruments that are measured at amortised cost. The amount of expected credit losses is updated at each reporting date to reflect changes in credit risk since initial recognition of the respective financial instrument.

#### 3. Auditors' remuneration

Fees for audit services provided to the Company have been borne by other group undertakings. It is not practicable to ascertain what proportion of such fees relates to the Company.

#### 4. Staff costs

The average monthly number of employees, including the Directors, during the year was nil (2021 - nil).

The Directors of the Company are also directors of a number of the group's fellow subsidiaries. The Directors received total remuneration of £964,000 (2021 - £920,000), which was paid by various fellow subsidiaries. The Directors do not believe that it is practicable to apportion this amount between their services as Directors of the Company and their services as directors of fellow subsidiary companies.
